Mr. Held,

You would do well to actually send emails to their correct address. As others in your firm have in the past. There is no mctlawyer email address. Remove it from your contact. Mr. Abolins' correct email address, which your firm has managed to find when you desire, is above, cc'd. Always copy jen@ucmj-defender.com when you purport to communicate with me.

I am available to meet and confer tomorrow at 11am PST. It should not take long.
